

PIRANHA

ELECTRONIC IGNITION

At last...a real advance in automotive ignition systems!

The PIRANHA system revolutionises normal car ignition systems. It has been designed to remove the inherent weakness of the mechanical contact breaker, whilst exploiting the proven advantages of the discharging inductive coil. Increased engine efficiency is achieved by producing a better, constant spark at all engine speeds, and this provides significant improvement in fuel consumption as well as a substantial reduction in exhaust pollution levels. Variants are available for a wide range of vehicles.

THE PIRANHA ADVANTAGES ARE - MORE POWER

Nearly 40% more spark energy is produced than with a conventional contact breaker system, and this, combined with elimination of misfiring at all engine speeds, means more power for higher acceleration.

BETTER ECONOMY

The PIRANHA unit guarantees a better, more constant spark at all engine speeds, eliminating the high level of misfiring (potentially in excess of 4%) of the conventional contact breaker system at high revs. Completely burnt fuel therefore gives better fuel consumption.

LESS POLLUTION

Complete burning of fuel means that atmospheric pollution through the exhausting of unburnt fuel is substantially reduced.

EASIER STARTING

The PIRANHA unit produces full spark discharges independently of engine speed, even from a semi-discharged battery as low as 7 volts. The more powerful spark overcomes poor mixture, fouled plugs, and humidity problems, and guarantees faster, easier starting.

SIMPLICITY

Consisting of a small electronic switching unit (3 1/4" x 3" x 1/4") and a light pulsing unit which fits into most existing distributors, the PIRANHA system can usually be fitted in less than ten minutes. Moving parts are kept to a minimum, and that means less wear and more dependability.

...AND THEY'VE BEEN PROVED!

Full testing at the University of Manchester Institute of Science and Technology has proved the PIRANHA Ignition to give an overall 37% increase in energy at the plugs in comparison with the conventional coil and contact breaker system.

TRUST PIRANHA - WE'VE PROVED IT WORKS

Price: **£19.80**

inc. postage & packing, and V.A.T.

The Piranha Ignition
is guaranteed for 12 months.

PIRANHA ELECTRONIC IGNITION ORDER FORM

To: Piranha Ignitions Ltd., Dept.
102 Hammersmith Road,
London W6 7JP.

Please send me a Piranha Electronic
Ignition System for my

(make, model & year of car)
I enclose crossed cheque/P.O.
No. for £19.80 made
out to "Piranha Ignitions Ltd."

NAME

ADDRESS

FOR BARCLAYCARD OR ACCESS
HOLDERS. Please debit my
Barclaycard/Access account.
(Please delete where applicable)
