

Off with your roof.

When the sun comes out don't you wish your car roof wasn't there? So, here's your chance to do something about it: get a Tudor Webasto folding sun roof for your car.

Fitted (painlessly) by our skilled

craftsmen, the Webasto sun roof has reinforcement which ensures that body strength is maintained. It's weathertight; easy to operate; good to look at and be under.

And can be easily fitted to any car from Rolls to Mini.

Send us our coupon and we'll tell you what to do with your roof.

The best roof under the sun.
